

Fenomen Plitvice se nalazi u Nacionalnom Parku Plitvička jezera.
Znate li da manja potrošnja energije znači manje posjećenih stabala
i manje ispuštanje CO_2 u okoliš?

Dragi gosti,

**Pri pranju posteljine oslobađaju se sredstva koja
onečišćuju prirodu i zato posteljinu mijenjamo treći dan
Vašeg boravka. Ukoliko želite da se posteljina mijenja
svakog dana molimo Vas da ujutro ostavite ovu karticu
na krevetu. Ukoliko želite zamjenu ručnika molimo Vas
da korištene ručnike odložite u kadu.**

Spasimo naš planet!

Za dodatne zahtjeve na raspolaganju Vam stoje recepcija i domaćinstvo hotela.

Fenomen Plitvice is located in National Park Plitvička jezera .
Do you know that lower energy consumption means less felled trees
and less CO2 emissions into the environment?

Dear guests,

While washing linen, we release chemicals that pollute
the environment and therefore we change the linen on
the third day of your stay. If you wish to change linen
every day please leave this card on the bed in the
morning. If you would like to change the towels,
please put the used towels in the bath.

Let's save our planet!t!

For additional requirements, the hotel reception and housekeeping are at your disposal.
